## Remarks:

- Latest changes are marked in red.

- Tutorials and talks from externals are 1 hour (50 minutes for talk + 10 minutes for questions) plus a 15 minute break if we have only one speaker.
- Tutorials and talks from externals are 45 minutes (40 minutes for talk + 5 minutes for questions) if we have more than one speaker.
- Seminar talks are 30 minutes (25 minutes for talk + 5 minutes for questions)
- 1st Year PhD Presentation talks are 10 minutes (8 minutes for talk and 2 minutes for questions)
- Please send me the **title and abstract** of your talk **at least one week before** your talk takes place!
- Sandwiches, tea and coffee will be provided during the seminars but please bring your own mugs.
- Feedback should only be given to PhD students and research fellows but not to lecturers or externals (unless this is specifically requested by them).
- For the poster day 1st year PhD students are asked to prepare a poster and give a short talk of 10 minutes about their (planned) research.
- The 4th year PhD students have not been scheduled explicitly but are very welcome to give a talk. Please get in touch with me if you're interested.
- If you are a PhD student and not sure what to present during your talk please get in touch with your supervisor and discuss your ideas.
